

Legislative Alert!

Next week, the Joint Finance Committee is scheduled to finish its work on the 2015-17 biennial state budget. One of the remaining issues to be voted on is the DOT budget, including a motion to increase funding for the TLW SafeRide Program.

Please contact your Legislator today at www.legis.wisconsin.gov and urge them to support increased funding for the SafeRide Program. The proposal would add a \$50 SafeRide Surcharge to an OWI conviction at no cost to the taxpayers.

Wisconsin's SafeRide program has grown dramatically in recent years, and the success of the program has contributed to a nearly 50% reduction in OWI fatalities in the last 10 years. Please request your Legislator support this necessary funding source from OWI convictions to ensure the future of the SafeRide program in Wisconsin.

The following are the Members of the Finance Committee who will be voting on the proposal. If your state legislator is on the Finance Committee please contact them today and urge support of the SafeRide Proposal.
